

2020 Student Scholarship Application

Newfoundland and Labrador, Prince Edward Island, Nova Scotia, New Brunswick and Quebec

The Canadian Collision Industry Forum (CCIF) is committed to financially supporting Canadian students who demonstrate a desire to excel in the field of Collision Repair. CCIF offers scholarships that provide tuition assistance as well as educational opportunities and enrichment events to qualified applicants.

The program for 2020 will include the **Student Tuition and Conference Scholarship Award**. This award is presented to students enrolled in a post-secondary collision repair program. Each selected student will receive a \$1,000.00 scholarship (administered by school) for tuition or other expenses related to his or her collision repair training program and a complimentary participation at CCIF. Some recipients will also receive payment of travel expenses to attend their regional CCIF event (if the CCIF event is more than 100 km from their home)
